ORDER

The petitioner, Power Grid Corporation of India Limited (PGCIL) has filed this petition for approval of the transmission tariff for Bay Extension at 765/400 kV, 2X1500 MVA GIS at Vadodara (hereinafter referred to as “transmission assets”) (Anticipated COD 1.7.2015) under Transmission System Strengthening in North/West Part of Western Region for IPP Projects in Chhattisgarh in accordance with the Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2014 (hereinafter referred to as “the 2014 Tariff Regulations”). The petitioner has also prayed for allowing 90% of the Annual Fixed Charges claimed, in terms of proviso (i) of Regulation 7(7) of the 2014 tariff Regulations.

2. The petition was heard on 18.6.2015. During the hearing, the representative of the petitioner has submitted that the instant asset was scheduled to be commissioned on 27.8.2014 against which it is anticipated to be commissioned on 1.7.2015. There is an anticipated time over-run of 10 months in commissioning of the instant assets. It has been
submitted that the time over-run is due to delay in acquisition of land, rains and flooding in Vadodara and supply of material, civil works and erection. The petitioner has again requested to allow 90% of the Annual Fixed Charges (AFC) in terms of proviso (i) of Regulation 7(7) of the 2014 Tariff Regulations.

4. As per proviso (i) of Regulation 7(7) of the 2014 Tariff Regulations, the Commission may grant tariff up to 90% of the AFC of the transmission system or element thereof for the purpose of inclusion in PoC charges in accordance with the Central Electricity Regulatory Commission (Sharing of Inter State Transmission Charges and Losses), Regulations, 2010. Regulation 7(2) of the 2014 Tariff Regulations provides that the application for tariff should be made in accordance with the Central Electricity Regulatory Commission (Procedure for making of application for determination of tariff, publication of the application and other related matters) Regulations, 2004 (hereinafter referred to as "2004 Regulations"). Regulation 7(4) of the 2014 Tariff Regulations provides that such an application shall be filed as per Annexure-I of these regulations.

5. We have considered the submissions of the petitioner. The petitioner has made the applications as per Annexure-I of the 2014 Tariff Regulations. The petitioner has also complied with the requirements of 2004 Regulations, such as service of the copy of the application on the beneficiaries, publication of notice and web hosting of the application, etc.

6. After carrying out preliminary prudence check of the AFC claimed by the petitioner and taking into consideration the time over-run in case of the instant asset, which shall be looked into in detail at the time of issue of final tariff, the Commission has decided to allow tariff for the instant asset in terms of proviso (i) of Regulation 7(7) of the 2014 Tariff Regulations as given in para (7) of this order for the year 2015-16.
