Learned counsel appearing on behalf of DANS Energy requested for 10 days time to file the reply.

2. Learned counsel for CTU submitted that there is no default on the part of the CTU in operationalization of LTA of Long Term Transmission Customers. Learned counsel for CTU further submitted that order dated 19.7.2017 does not give any specific instances of failure on the part of CTU which warranted initiation of proceedings against the CTU under the Section 142 of the Electricity Act, 2003.
