Record of Proceedings

The representative of the petitioner submitted that the present petition has been filed for adoption of transmission charges with respect to the transmission system being developed by the petitioner.

2. The representative of the petitioner further submitted that MPPMCL in its reply has submitted that final acquisition price paid to BPC has been increased by Rs 110 lakh which is exorbitantly high and the Petitioner neither discussed the issue with the beneficiaries nor took the prior permission of the Commission before making the payment. Therefore, increase in acquisition price shall be borne by the successful bidder and shall not be passed upon the beneficiaries.
