"Engagement of Staff Consultant at the level of Research Associate in SAFIR"

1. About SAFIR

1.1 Background

The South Asia Forum for Infrastructure Regulation (SAFIR) was established in May 1999. SAFIR is an association of Infrastructure Regulators from India, Nepal, Bhutan, Pakistan, Sri Lanka and Bangladesh. The Forum plays a key role in disseminating knowledge and best practices among infrastructure regulatory institutions in South Asia. The secretarial service to SAFIR is provided by Central Electricity Regulatory Commission (CERC). Each Annual SAFIR Meeting elects on rotation basis (among the Countries represented in SAFIR), a Chairperson from its present members representing regulatory bodies.

1.2 Aims & Objectives

SAFIR aims to provide high quality capacity building and training on infrastructure regulation, and related topics, in South Asia. Specific objectives of SAFIR are:

- Provide a platform for experience sharing amongst the regulators of the region;
- Facilitating effective and efficient regulation of utility and infrastructure industries;
- Initiate beneficial exchange of knowledge and expertise;
- Evolve best practices;
- Build regulatory decision-making and response capacity in South Asia;
- Conduct training programs to serve regulatory agencies and other stakeholders;
- Spur research on regulatory issues;

Interact, coordinate, facilitate and engage with various International Developments, regulation, financial bodies and government or private entities of various countries.

1.3 Activities of SAFIR

To promote information exchange and experience sharing among member regulators, SAFIR conducts different activities. Some of the SAFIR activities are mentioned below:

- Core Training Programs

SAFIR’s most visible activity is the Core Course on Infrastructure Regulation. The core course is aimed at utility regulators and their staff, senior government officials working on
the reform of the infrastructure sectors, and executives from public and private regulated infrastructure service providers. The core course delivers practical lessons on the regulation and restructuring of infrastructure from within and outside the region. It also provides an ideal opportunity for participants to exchange their own experiences and to build networks within the region.

- **Annual General Meetings**

  The activities of the SAFIR are guided by a Steering Committee comprising all the members and an Executive Committee consisting of a representative each from India, Pakistan, Nepal, Bhutan and Sri Lanka was constituted to take SAFIR forward. The SCM (Steering Committee Meeting) and the ECM (Executive Committee Meeting) of the SAFIR are also held at regular intervals.

- **Investor conference on issues relating to regulation**

  SAFIR organizes an Infrastructure Conference every year to present the vibrant and evolving policy and regulatory framework in South Asia, which has, over the period, played an important role in building, enhancing and channelizing private investments into Infrastructure sector. The Conference is addressed by key Policy Makers, Regulators and Investors from across the region. It aims to facilitate a constructive dialogue among all stakeholders to further strengthen regulatory framework and promote investments in the infrastructure sector. The Conference provides a unique opportunity to investors & business community to understand the emerging investment opportunities / projects on offer in member countries of South Asia, which includes Sri Lanka, Pakistan, Nepal, Bangladesh, Bhutan and India.
