### **Record of Proceedings**

At the outset, the learned counsels for the Petitioners submitted that the present Petitions had been filed in the month of October 2024 and requested to grant the transmission licence so that they may approach the CEA for approval of Section 164 of the Electricity Act, 2003 and start the work of the transmission lines to achieve the SCOD.

2. The representative of the CTUIL requested for interpretation of the scope of Regulation 12.5 of the GNA Regulations.

3. After hearing the learned counsels for the parties and the representative of the CTUIL, the Commission directed as under:

(a) The Petitioners to implead the bulk consumers that have been granted for GNA/GNARE at the substation included in the scheme in consultation with CTUIL and to file a revised memo of parties within a week.

(b) The bulk consumers are directed to furnish their response/reply within three weeks, including the drawal schedule and implementation of their dedicated system, with an advance copy to the Petitioners, who may file their rejoinder, if any, within two weeks thereafter.

(c) In Petition No. 513/TL/2024, OPTCL is directed to file its response within four weeks in compliance with the RoP for the hearing dated 28.1.2025, along with the implementation schedule of the Gopalpur 400 kV substation.

(d) CTUIL to furnish on an affidavit within four weeks the details of Start date of GNA/NGARE for bulk consumers/distribution licensees covered under instant cases vis-a vis schedule commissioning date of the transmission system under these Petitions.

4. The matters will be listed for the hearing on **20.5.2025**.
