**Record of Proceedings**

Due to a paucity of time, the matter could not be taken up for the hearing, and accordingly, the matter was adjourned. Learned counsel for the Petitioner, however, prayed for an early listing of the matter. Learned counsel also added that given that the various Change in Law claims made by the Petitioner in the present case have already been allowed by the Commission in its previous orders, the Petitioner is pressing for an interim payment for the amount due on account of increase in transmission charges due to the Change in Law events and has, accordingly, also moved an IA to this effect.

2. The Commission directed the Petitioner to provide on an affidavit within two weeks a copy of the RoW compensation Orders issued by the DC/DM of the respective districts.

3. The Petition, along with IA, will be listed for hearing on **24.7.2025**.
